

## Duon Headtorch

**UMLH5**

### Head torch for use in a wide range of applications

Small, lightweight and durable helmet headtorch. Ideal for almost any outdoor situation.

Can be retro fitted to heightec's DUON helmets or worn directly on the head using the elasticated head band.

Durable construction: the lamp is impact resistant (IK07) and fall resistant (up to 2 meters).

Wide, uniform beam, providing comfortable lighting for close-range work

Three white lighting levels: max burn time, standard (better power/burn time balance) and max power.

Single button for quick and easy selection of brightness.

Plate allows you to easily orient the lamp in desired direction

Battery charge indicator shows the battery level each time the lamp is turned on or off.

Lock function prevents the lamp from turning on during transit or storage.

350 lumens, with a lighting distance up to 70 meters.

Watertightness: IP67

Detachable, washable headband that is symmetrical for easy adjustment.

Petzl ARIA Helmet LED Headtorch is perfectly suited to heightec's DUON and DUON-Air technical safety helmets, fitting the helmet design effectively and also successfully coordinating with the DUON Helmet Visor.
