

## Rigger's tower climber kit - Neon QC

WK112

### A lightweight and comfortable kit enabling riggers to work at height safely

The riggers kit is versatile allowing for work positioning and fall arrest.

NEON harness structure ensures good fit with maximum comfort and security. Chest rings and articulated hip section with floating belt attachment aligns the webbing to give the optimum fit and freedom of movement.

The robust and ergonomic ELITE twin lanyards allow for continuous attachment while climbing.

PIRANHA adjustable lanyard allows precise positioning and can be operated with one hand.

DUON helmet has high specification with dual certification, wide range of adjustment for a comfortable fit and T-slot side fittings for standard ear defenders etc.

Kit includes:

- NEON full body harness
- ELITE twin lanyard 1.25cm
- PIRANHA adjuster for positioning or restraint 2m
- DUON helmet EN 12492
- Kit Bag 30L 18kg WLL

Patented GB2543699
