

NEXUS fall arrest 2 point harness with jacket, QC

H32QJ

**Fall arrest and restraint harness with jacket and quick connect buckles.
Suitable for all general work at height.**

Features:

- Contoured fit for comfort and freedom of movement
- Quick connect leg and chest buckles
- Lightweight breathable jacket
- Integral lanyard parking points

Chest strap rings orientate the webbing for secure fit and optimal comfort.

Quick connect leg and chest buckles make fitting fast and easy. As the buckles do not need to be slackened to remove the harness readjustment is not required every time it is worn.

Contrasting colour of leg and torso webbing assists correct fitting of harness for less experienced user.

Shoulder buckles allow quick and easy single hand adjustment.

Jacket helps to prevent tangling for quick and easy fitting.

Option:

H32Q - Shoulder and leg pads
