

## Rigging Plate

AR02

**Small alloy rigging plate with large single attachment point and three small attachment points.**

### Features:

- Forged alloy construction
- Multiple attachment points

Forged construction gives high strength with reduced weight.

Simple multi attachment points, simplifies rigging with multiple anchors.

- Single main attachment point - accepts upto 3 karabiners
- Three further attachment points - 20mm diameter for single karabiners

### Specifications:

*NB: specifications and colour may change without notice.*

Size: 10cm x 8cm

EN Test Mass: n/a

Loading: 30 kN MBL

Conformity: CE

Materials: Anodised Aluminium Alloy

Weight (kg): 0.09

Industries: Access & Rescue

**All our PPE, rescue and lifting equipment have both UKCA and CE conformity where applicable**
